

NANCY COTTINI

Horseplay has a new instructor

Instructor Nancy Cottini joined Horseplay in January, and will be leading therapeutic riding classes on Wednesday evenings.

Nancy has been a therapeutic riding instructor for for five years, four of which were spent as a PATH instructor.

"My love of horses began in my mi-20s and has continued to evolve over the years, which has landed me where I am today," Says Nancy. Therapeutic teaching holds a special place in my heart — th ability to offer those in need of self-esteem, strength, and community.

"It's a dream come true. My heart is and always will be to promote positive change to anything I am a part of, and it is an honor to be able to do that alongside Horseplay Therpeutic Riding Center."
