

Annual Bud's fundraiser was successful

By KATHY ADLER

Horseplay's annual fundraiser at Bud's in Dixon was held on April 29, and was a huge success, selling a record-breaking 168 dinner tickets and record-breaking number of raffle tickets. In addition to the generosity of those attending the dinner, we had over-whelmingly generous cash donations.

We cannot thank everyone enough for participating in Horseplay's continued success. Our volunteers did an excellent job selling tickets and recruiting donations for the raffle, contributing to the success of this fundraiser.

All of the proceeds go toward the care of our Fabs 5 herd so our riders can continue riding.

These are just some of the wonderful raffle baskets and prizes offered at the annual Bud's fundraising dinner.

The fundraiser was spearheaded by the Horseplay board and supported by volunteers, and raffle prize donations. Angie Caserza generously donated many of the beautiful gift baskets. Higby's provided a wonderful assortment of dog items, and OK Corral provided three \$50 gift cards. A beautiful quilt was donated from Mary Caponio.
