

# Horseplay Nugget Market Scrip Program

Did you know that the tuition you pay for your rider does not cover the entire cost of boarding our horses or paying our instructors and other related expenses? We rely on fundraisers and donations to keep Horseplay in operation. You can help by using the **Nugget Community Scrip Card** at **Nugget Market** which is available at the barn. There is no cost to you. When it comes to cost for general groceries, Nugget Market comes close behind Winco and Walmart.

## About The Program

### **SCRIP CARDS are available at the barn for pick up.**

You will need to register the **Nugget Community Scrip Card**, which should be presented to the checker each time you shop at Nugget stores.

Please visit the Nugget Scrip Participants page at <https://scrip.nuggetmarket.com/signup/user> to register your card. You will pick **Horseplay Therapeutic Riding Center** as the beneficiary organization that you wish to support.

Contributions are calculated on a graduated scale based on monthly qualifying purchases.
