

Horseplay Therapeutic Riding Center

Dear Horseplay Families and Riders

November 19, 2024

Effective January 1' 2025, the session tuition will be increased to \$60.

The current session tuition of \$45 only covers about 68% of our total operating costs. We closely watch and monitor every dollar we spend to keep our program functioning successfully and safely. Rising costs necessitate this tuition increase. Of the 22 Certified P.A.T.H. Centers operating in California, we'll still remain one of the least expensive.

Horseplay has been helping special needs kids and adults for 29 years (since 1995). We look forward to offering our therapeutic riding program to every rider in 2025 and into the future. Thank you for your continuing donations and support of our fundraisers. If you have any questions, please leave a message on the Horseplay phone line. (707-447-8733).

Sincerely,
Horseplay Board of Directors
